Welfare Benefits Service

A4U offers a specialist service in benefits law. We are able to provide advice to anyone living in Shropshire and Telford. We attained the Legal Service Commission "Quality Mark" at the Specialist level for welfare benefits law in 2001. Since then we have formed an experienced team of caseworkers to deliver our service. Our caseworkers have offices in Shrewsbury and Telford.

We specialise in advocacy and representation before all types of Social Security Appeal Tribunals. We also assist with appeals to the Social Security Commissioners. We do accept referrals from other advice agencies and solicitors. We can advise on all aspects of social security law, including entitlement to benefits, backdating, suspensions and overpayments. We represent at many tribunals in a year, with Disability Living Allowance, Attendance Allowance and Incapacity Benefit being the main benefits in dispute.

We assist with form filling for Disability Living Allowance, Attendance Allowance and Incapacity Questionnaires (IB50).

We are also in a position to deal with Community Care issues.
